Data Analysis

Data Files

Single-Year Data Files

- [American Time Use Survey—2017 Microdata files](#)
- [American Time Use Survey—2016 Microdata files](#)
- [American Time Use Survey—2015 Microdata files](#)
- [American Time Use Survey—2014 Microdata files](#)
- [American Time Use Survey—2013 Microdata files](#)
- [American Time Use Survey—2012 Microdata files](#)
- [American Time Use Survey—2011 Microdata files](#)
- [American Time Use Survey—2010 Microdata files](#)
- [American Time Use Survey—2009 Microdata files](#)
- [American Time Use Survey—2008 Microdata files](#)
- [American Time Use Survey—2007 Microdata files](#)
- [American Time Use Survey—2006 Microdata files](#)
- [American Time Use Survey—2005 Microdata files](#)
- [American Time Use Survey—2004 Microdata files](#)
- [American Time Use Survey—2003 Microdata files](#)

Multi-Year Data Files

- [American Time Use Survey—2003-2017 Microdata files](#)
- [American Time Use Survey—2003-2016 Microdata files](#)
- The 2003-2015 American Time Use Survey Microdata files have been archived. The newer multi-year microdata files listed above include data from the 2003-2015 ATUS.

Module Data Files

- [American Time Use Survey—Well-Being Module Microdata files](#)
- [American Time Use Survey—Leave Module Microdata files](#)
- [American Time Use Survey—Eating & Health Module Microdata files](#)
- For more information about ATUS Modules, please see the [ATUS Modules](#) page.

2016 Basic ATUS Data Files

- [ATUS 2016 Respondent file \(zip\)](#) (0.8 MB) The Respondent file contains information about ATUS respondents, including their labor force status and earnings.
- [ATUS 2016 Roster file \(zip\)](#) (0.1 MB) The Roster file contains information about household members and nonhousehold children (under 18) of ATUS respondents. It includes information such as age and sex.
- [ATUS 2016 Activity file \(zip\)](#) (3.6 MB) The Activity file contains information about how ATUS respondents spent their diary day. It includes information such as activity codes, activity start and stop times, and locations.
- [ATUS 2016 Activity summary file \(zip\)](#) (0.7 MB) The Activity summary file contains information about the total time each ATUS respondent spent doing each activity on the diary day.
- [ATUS 2016 Who file \(zip\)](#) (0.8 MB) The Who file includes codes that indicate who was present during each activity.
- [ATUS 2016 Eldercare Roster file \(zip\)](#) (0.02 MB) The Eldercare Roster file contains information about people for whom ATUS respondents provided care. It includes information such as age, sex, and duration of care.
- [ATUS-CPS 2016 file \(zip\)](#) (6.7 MB) The ATUS-CPS file contains information about each household member of all individuals selected to participate in ATUS. The information on the ATUS-CPS file was collected 2 to 5 months before the ATUS interview.
